

GAIP AND ISHIP CONTRACT COVID-19 TESTING AND TREATMENT ENDORSEMENT

Applies To Policies GAIP UW (10-2019) and UWISHIP (09-2019)

This endorsement makes important changes to your health plan:

- LifeWise Assurance Company will waive the deductible and any copay or coinsurance required by your plan for the following services you receive between January 1, 2020 until the national public health emergency declaration expires and until the Washington Office of Insurance Commissioner Emergency Order 20-01 is no longer in effect:
 - COVID-19 diagnostic testing and diagnostic test panels for influenza A & B, norovirus and other coronaviruses, and respiratory syncytial virus (RSV), along with the associated provider visit, when any of this testing is ordered by an attending health care provider who has determined that the test is medically appropriate for you based on current accepted standards of medical practice and is billed with an appropriate COVID-19-related diagnosis code.
 - Services of a health care provider within their scope of practice or under the supervision or direction of a health care provider within their scope of practice, to assess symptoms and obtain biological samples from members at a drive-through site established for the testing and assessment of COVID-19.
 - COVID-19 testing is not covered for employment, screening or surveillance purposes.
- LifeWise Health Plan of Washington will waive the deductible and any copay or coinsurance required by your plan for the following services you receive between January 1, 2020 through December 31, 2020:
 - All covered inpatient and outpatient services by in-network and out-of-network providers for the treatment of COVID-19. This includes only covered medical drugs provided on an inpatient basis and not prescription drugs filled by a pharmacy.
- Per the Washington Office of Insurance Commissioner Emergency Order 20-02, between March 24 until the Emergency Order is no longer in effect:
 - If you are discharged from a hospital to a long-term care facility, if covered by your plan, or if you receive home health services following discharge, there is no requirement for prior authorization of those services under WAC 284-43-2060(2)-(3). Other covered services necessary for discharge to a long-term care facility or home that are subject to prior authorization will be treated as expedited prior authorization requests under WAC 284-43-2050(10)(b).

No change to premium is required.

All other terms and limitations of the plan remain unchanged. This endorsement forms a part of the contract between the University of Washington and LifeWise Assurance Company. Please keep it with your benefit booklet for future reference.
