Coverage of any service is determined by a member's eligibility, benefit limits for the service or services rendered and the application of the Plan's Medical Policy. Final payment is subject to the application of claims adjudication edits common to the industry and the **Plan's professional or facility services claims coding policies**. Reimbursement is restricted to the provider's scope of practice as well as the fee schedule applicable to that provider.

Purpose	To define when the Plan recognizes services appended with Modifier GA that are submitted on a CMS-1500 paper claim form or an 837P electronic claim form.
Scope	Applies to all Premiera Blue Cross, Premiera Blue Cross Blue Shield of Alaska, LifeWise Health Plan of Washington, LifeWise Assurance Company and Premiera Blue Cross HMO lines of business and products.
Policy	<p>The Plan recognizes Modifier GA- <i>Waiver of Liability Issued as required by payer policy</i> appended to a service to indicate a valid signed waiver of liability statement, signed by the member, is on file with the provider, and that the services billed with the modifier do not meet the health plan's medical necessity criteria.</p> <p>The presence of the modifier on a procedure code indicates that the member is aware that they are receiving a non-covered service and that they may be financially liable for the service if denied reimbursement by the Plan.</p> <p>Modifier GA should not be used in conjunction with any other liability related modifiers (e.g., GZ-<i>Item or service expected to be denied as not reasonable and necessary</i>, GY-<i>Item or service statutorily excluded</i>).</p>
Violations of Policy	<p>Violations of this policy by any party that enters into a written arrangement with the Plan may result in increased auditing and monitoring, performance guarantee contractual penalties and/or termination of the contract. Disciplinary actions will be appropriate to the seriousness of the violation and shall be determined in Plan's sole discretion.</p> <p>Violations of this policy may be grounds for corrective action, up to and including termination of employment.</p>
